

- **TITLE/ORGANIZATION:**
President, Built By Waters Inc.
- **AGE:** 41.
- **EDUCATION:** Attended Brigham Young University.
- **CAREER:** Builder
- **WORK HIGHLIGHT:** Treat everyone — from subcontractors to customers — the best I can.
- **OBSERVATION ON WOMEN IN YOUR LINE OF BUSINESS:**
They each love what they do and have their own unique strengths.
- **CAREER ASPIRATIONS:**
Keep learning, moving forward and becoming the best builder in Polk County.
- **PROUDEST CAREER MOMENT:** I have had so many exciting moments — winning home of the year lots of times, being named Builder of the Year, winning People's Choice awards, building a showcase home and raising money for charities; every satisfied customer; repeat customers; and many more.
- **LOWEST CAREER POINT:**
I don't like low points. When things don't go perfectly, though, it does make you dig and look a little deeper at how you could have done better or differently, set some new goals and go forward.
- **ADVICE:** Before you start your own business, be sure your priorities are straight. The business can consume all of your energy and time. Balance will be difficult if your priorities are not outlined.
- **TOP TWO COMMUNITY ACTIVITIES:** I love serving in church. And I serve as president of the Polk County Builder's Foundation. This is where the builders get to raise money and give back to the community in various ways. I have seen a lot of generous builders who have shared their time and money with lots of care and love.
- **WHAT DO YOU DO FOR FUN?** Hang out with my family. I have a beautiful family, and we love to spend time together.
- **FAVORITE BOOK:** "The Bible and The Book of Mormon — Another Testament of Christ." Read daily and provides great guidance in my life.
- **FAMILY:** Husband, Glen Waters; children Brittany, Brenton, Brock and Beau.
